

Safety Recall

Napa Home & Garden is voluntarily recalling its

NAPAFire and FIREGEL Pourable Gel Fuel.

The pourable gel fuel can ignite unexpectedly and splatter onto people and object nearby when it is poured into a firepot that is still burning. Fuel gel that splatters and ignites can pose fire and burn risks to consumers.

Consumers should immediately stop using the pourable gel fuel in firepots and return product to the place of purchase for a refund.

For more information, consumers may contact
