

# Safety Recall

Novartis Consumer Health, Inc. is voluntarily recalling all lots of select bottle packaging configurations of

## Excedrin, Bufferin, NoDoz and Gas-X Prevention

The products may contain stray tablets, capsules or caplets from other Novartis products, or may contain broken or chipped tablets. Novartis is taking this action as a precaution.

This recall includes Excedrin and NoDoz products with expiry dates of December 20, 2014 or earlier as well as Bufferin and Gas-X Prevention products with expiry dates of December 20, 2013 or earlier.

The logo for Excedrin, featuring the word "EXCEDRIN" in a bold, italicized, sans-serif font with a red underline.The logo for NoDoz, featuring the word "NoDoz" in a bold, italicized, sans-serif font with a black underline.The logo for Bufferin, featuring the word "BUFFERIN" in a bold, italicized, sans-serif font with a blue underline.

Consumers should stop using the product and contact the Novartis Consumer Relationship Center for information on how to return the product by phone at **1-888-477-2403** or visit the website at [www.novartisotc.com](http://www.novartisotc.com).

Consumers with questions or concerns about their health should contact their doctor.

To be posted through April 10, 2012

(Post until back instock.)
